THIS IS NOT INSURANCE. The Program provides participants with discount rates for the cost of prescriptions. The Program does not make payments directly to the providers of prescription services. The Program participant is obligated to pay for all prescription services but will receive discounted rates on prescriptions from those prescription providers who have contracted with the discount plan organization. This is a free product with no periodic administrative fees. Upon request, the Program administrator will make available a complete list of pharmacy program providers in the cardholder's service area. This information can also be found online at the website below. Product is administered by Professional Risk & Asset Management Insurance Services, Inc.
